

Communicating Deadbolt

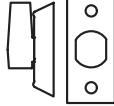

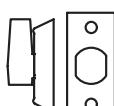

B80 and B81 Single-Side Heavy Duty Communicating Deadbolt

Features

- 1" throw high strength stainless steel deadbolt resists sawing and kick-in attacks strength and operational requirements
- Ergonomic pivot-type turnknob for ease of use
- Multiple backset choices including 2-3/4" and 2-3/8"
- Certified to meet or exceed ANSI/BHMA A 156.5 Grade 1 strength and operational requirements
- UL listed for "A" label (3-hour) single doors, 4' x 8'
- Available both as B80 for blind hole applications (flush surface on communicating side of door) or as B81 for through bore applications (cover plate on communicating side of door)
- Q designates square option (i.e. B80Q)
